DETAILED ACTION

This application filed August 31, 2000, claims benefit to provisional application 60/151,621, filed August 31, 1999.

Applicants' amendment filed July 27, 2004 has been received and entered. Claims 1, 15, 17, 24, 30-33 and 36 have been amended. Claims 4-12, 34 and 35 have been cancelled. Claims 1-3, 13-33 and 36 are pending and currently under examination..

Election/Restriction

Applicant's election with traverse of Group I, claims 1-3, 13-33 and 36, in Paper No. 13 was acknowledged. Non-elected claims 4-12 and 34-35 have been cancelled in Applicants' amendment filed July 27, 2004.

Applicant is reminded that upon the cancellation of claims to a non-elected invention, the inventorship must be amended in compliance with 37 CFR 1.48(b) if one or more of the currently named inventors is no longer an inventor of at least one claim remaining in the application. Any amendment of inventorship must be accompanied by a request under 37 CFR 1.48(b) and by the fee required under 37 CFR 1.17(i).

Reasons for Allowance

The following is an examiner's statement of reasons for allowance:

The amendments have obviated the basis of the rejection of record.

Art Unit: 1632

Specifically, amending the claims to more clearly indicate that the endogenous γ 34.5 is deleted/inactivated and a second γ 34.5 is inserted has addressed the rejection made under 35 U.S.C. 112 as well as the objections to the claims and specification. As indicated previously, the claims are free of the art of record. The art teaches reasons to delete γ 34.5 from a herpes viral vector, and provides great detail to its normal function, however the art fails to teach or provide motivation to re-insert a functional γ 34.5 back into a herpes viral vector under the control of cell specific promoter.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
